

# Announcing RD-30, RD-31 and RD-33 End of Sale

**Effective February 6th, 2023**, the **RD-30, RD-31 and RD-33** Dytronic Three-Phase Portable Standards are **no longer available for sale**.

**REPLACEMENTS:** RADIAN RX-30, RX-31 and RX-33 Xytronic Three-Phase Standards are direct replacements for most RD-30, RD-31 and RD-33 applications.

**REPAIRS:** RADIAN will continue to provide repair service for RD-30, RD-31 and RD-33 standards so long as parts are still available to facilitate those repairs.

**CALIBRATION** services for RD-30, RD-31 and RD-33 standards will continue to be provided as they are for ANY vintage of RADIAN reference standard ever produced.

If you have ANY questions about how best to proceed with migration from your RD Dytronic standard platform to the RX Xytronic platform, please contact your RADIAN representative.

Thank You,

**Randy Campbell**  
Hardware Solutions Product Manager  
Radian Research, Inc.
